## **DETAILED ACTION**

### ***Oath/Declaration***

The Reissue oath or declaration is defective.

The Reissue oath/declaration filed with this application is defective because the error which is relied upon to support the Reissue application is not an error upon which a Reissue can be based. See 37 CFR 1.175(a)(1) and MPEP § 1414.

Since the applicant has cancelled all newly added claims (15-59) and only original claims 1-14 remain in this Reissue application , and since no amendment has been made to original claims 1-14, the issue of “error” and “ ‘443 patent being inoperative” mentioned in the declaration in fact have not been treated by the amendment .

Claims 1-14 are rejected as being based upon a defective Reissue Declaration under 35 U.S.C. 251 as set forth in the office action mailed on 3-13-2003. See 37 CFR 1.175.

### ***Conclusion***

**THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
